SP Screens obligations under the Warranty

SP Screens must advise the customer to fill in the 'Louvre Roof Warranty Form' on the CommandeX website (SP Screens louvre roof supplier) (www.commandex.com.au) on the day of installation and fill accordingly within five business days of installation date. This document certifies that the person named on the certificate properly installed the product thus limiting liability.

Warranty & Repair Policy Claim

When claiming under this Warranty to SP Screens, you must submit a completed Repair Request Form through SP Screens in writing, AND you must substantiate your claim with proof (ie unedited photograph) of the error or defect. For a copy of the Repair Request form, please email orders@commandex.com.au.

The customer must submit the form within a period of one calendar month of first detecting the defect and at their cost.

We will then arrange for the goods to be inspected and determine whether they are defective and if, acting reasonably, we agree they are defective we will (at our option) either repair the goods, or replace the goods with new goods. A call out fee may be charged for inspection, however any call out fee that we charge you will be refunded if we determine that the goods are defective.

The Repair Request Form will be assessed by SP Screens and if accepted as a defect of material or labour, will be processed and sent onto the factory of manufacture for re-supply.
